At the start of 2020, God gave us a phrase to shape our year – MAKE ROOM, and we began the month of January seeking His presence through special nights of prayer and worship. Never could we have imagined the hardship and uncertainty 2020 would bring in the coming months. From pandemics to politics, our church family and nation faced many new challenges.

Despite all that last year brought, we saw the faithfulness of God poured out over His people! In 2020, your giving provided the resources to purchase 8.7 acres off of Airline Hwy – the future home of our Healing Place Church Ascension Campus! We believe that this strategic location will be a place for hurting people to encounter the love of Jesus for decades to come.

Although our in-person gatherings were restricted for a time, we were still able to reach people in our community and around the world through new and creative ways. Though we had to shift our strategy, our mission stayed the same – to reach a hurting world.

God has built His Kingdom through you and your heart to be a healing place for a hurting world. This Annual Report is a way for us to reflect on the goodness of God over the past year.

As we continue to GATHER, GROW, & GO in the purposes of God, let's believe that our best days are ahead of us. Thank you for taking the journey with us and helping us to be THAT church!

Testimony

Thank you so much for putting VBS together virtually this year! It was a HUGE hit in our house. We have not been able to return to church at the St. Francisville campus yet due to our 1-year-old being high risk with some health issues This virtual VBS made it so that my kids could feel like they are still a part of what's happening with kid's church. They loved it, AND my 4-year-old accepted Christ! So thankful for the time all of you put into VBS to speak into my kids' hearts! You are AWESOME!!!

Testimony

I would like to thank all the pastoral staff and those who make the daily devotionals and Sunday services available to us on YouTube. They have ministered to me personally during this time of social distancing. I have also been able to share them with my mother in Albuquerque, NM, and with my mother-in-law who has macular degeneration and has difficulty reading books. The devotions are easily accessible for all of us and speak God's truth to us. This is a unique time, but our God is uniquely able to meet all our needs.

Testimony

My first personal contact with HPC was when I was receiving treatment for stage 3 cancer. The outreach team was at Mary Bird Perkins every time I was in for treatment with nourishing snacks and drinks while wonderful people prayed with me. During a really hard time fighting a terrible disease - the love of Jesus was shown intensely through those volunteers. I will always be grateful. I'm very happy to have found my way to become a member of HPC. Thank you so much for being THAT CHURCH.
