## **VERSE 1:**

I don't see rain  
But I know it will come  
Not a cloud in the sky  
But I'll wait for the flood

## **PRE-CHORUS:**

You gave Your Word  
And I gave my heart  
So I'll keep saying "Yes"  
Whatever the cost

## **CHORUS:**

I know who You are  
I know what You do  
You're the God of the promise  
That always comes through  
I've seen it before  
I'll see it again  
It's not a matter of if  
It's a matter of when

## **VERSE 2:**

I'll keep planting seed  
Deep in the ground  
Knowing I'll reap  
What you promised now

## **PRE-CHORUS:**

You gave Your Word  
And I gave my heart  
So I'll keep saying "Yes"  
Whatever the cost

## **CHORUS:**

I know who You are  
I know what You do  
You're the God of the promise  
That always comes through  
I've seen it before  
I'll see it again  
It's not a matter of if  
It's a matter of when

**BRIDGE:**

Don't know how  
Don't know when  
I just know You are able  
I'll keep my hand to the plow  
And keep trusting You're faithful  
You're the same God today  
You're the same God tomorrow  
And that's all that I need to know

**CHORUS:**

I know who You are  
I know what You do  
You're the God of the promise  
That always comes through  
I've seen it before  
I'll see it again  
It's not a matter of if  
It's a matter of when
