VERSE 1:

When I think about the faithfulness of God
When I think about how kind He's been to me
I can't begin to count the times He's seen me through
All I know is He's been faithful
Time after time

CHORUS:

You are faithful, O God
You are faithful, O God
As the morning brings the sun
And new mercies fill my cup
You are faithful, O God

VERSE 2:

When I think about the road that lies ahead
And how it fills my mind with doubts and question marks
He reminds me of the promise in His word
He'll be faithful to complete it
Time after time

CHORUS:

You are faithful, O God
You are faithful, O God
As the morning brings the sun
And new mercies fill my cup
You are faithful, O God

BRIDGE:

I can be sure
He who started a work in me
Will complete it
Will complete it

CHORUS:

You are faithful, O God
You are faithful, O God
As the morning brings the sun
And new mercies fill my cup
You are faithful, O God

BRIDGE:

I can be sure
He who started a work in me
Will complete it
Will complete it

CHORUS:

You are faithful, O God

You are faithful, O God

As the morning brings the sun

And new mercies fill my cup

You are faithful, O God
