VERSE 1:

What am I, Lord but dust and rags
Standing before Your holiness
You have been so good
You have been so kind
I've witnessed it all
In my own life

CHORUS:

I stand here now and lift a monument of praise
For Your faithfulness, Your faithfulness
I stand here now and give all honor to Your name
For Your faithfulness, Your faithfulness

VERSE 2:

Always the same, patient and wise
Walking with me through flood and fire
Every promise is true
They are, "Yes and amen"
You've been faithful before
I know you'll do it again

CHORUS:

I stand here now and lift a monument of praise
For Your faithfulness, Your faithfulness
I stand here now and give all honor to Your name
For Your faithfulness, Your faithfulness

BRIDGE:

What can I do but praise You, Lord
What can I do but praise You, Lord
I praise You, praise You
Praise You, praise You

CHORUS:

I stand here now and lift a monument of praise
For Your faithfulness, Your faithfulness
I stand here now and give all honor to Your name
For Your faithfulness, Your faithfulness

TAG:

The reason I can stand here
Humbled and in awe
Is Your faithfulness, Your faithfulness
