## **VERSE 1:**

As for me and my house  
We will serve the Lord  
This our covenant  
Made in one accord  
As for me and my house  
As for me and my house

## **CHORUS:**

Today I choose to serve the Lord  
Today I choose to serve the Lord  
My brothers and sisters  
Will you be now my witness  
That today I choose to serve the Lord

## **VERSE 2:**

We've seen his hand at work  
And heard the stories told  
Gathered here today  
Let our pledge be known  
As for me and my house  
As for me and my house

## **CHORUS:**

Today I choose to serve the Lord  
Today I choose to serve the Lord  
My brothers and sisters  
Will you be now my witness  
That today I choose to serve the Lord

## **BRIDGE:**

I have decided to follow Jesus  
No turning back  
No turning back  
The cross before me  
The world behind  
No turning back  
No turning back

## **CHORUS:**

Today I choose to serve the Lord  
Today I choose to serve the Lord  
My brothers and sisters  
Will you be now my witness  
That today I choose to serve the Lord

**TAG:**

To serve the Lord

**VERSE 1:**

As for me and my house

We will serve the Lord

This our covenant

Made in one accord

As for me and my house

As for me and my house
